# All Over Again

## Locksley

You all say the things you mean, so you can see I've had enough of you.
Well you want everything to seem like everything's alright but that's not true.
So my friend, is this the end of everything you thought that you would be?
Oh all you love has come and gone, and now I know exactly what to do.

You're gonna gonna gonna,
Have to start all over again.
Well if you wanna see this thing through,
To the end.

You need to need to need to,
Find a friendly hand.
You're gonna gonna gonna,
Have to start all over again.

What do you think hiding all your feelings deep inside will get you through?
The time has come to snap my thumb behind the place you're hiding your feelings.
You are just the sum of things, you feel it, all the memories you keep.
Well you are young and dumb but there's still time to get that heart up off your sleeve.

You're gonna gonna gonna,
Have to start all over again.
Well if you wanna see this thing through,
To the end.

You need to need to need to,
Find a friendly hand.
You're gonna gonna gonna,
Have to start all over again.

Start over again [Repeat: x2]
Start over again (start all over again) [Repeat: x3]
Start over again (start. all. over)
Hey!
