## You Waited (Radio Edit) [Live]

## **Travis Greene**

You called out my name Knew my past, covered my shame

This amazing grace

You've shown

So patiently

You've shown

So patientlyAnd You

You waited

For me

Just for me

Oh... You

You waited

For me

Just for me

Where would I be

If you let me down

Where would I be

If you let me down

Where would I be

If you let me down

Where would I be

If you let me down

But you waited, waited

You waited, waited

You waited, waited

You waited, waited

Where would I be

If you let me down

Where would I be

If you let me down

Where would I be

If you let me down

Where would I be

If you let me down

You waited, waited

You waited, waited

Tou wanted, wanted

You waited, waited You waited, waited

You waited, waited

You waited, waited

Where would I be

If you let me down

Where would I be

If you let me down

Where would I be

If you let me down

Where would I be

If you let me down

What amazing grace

You've shown

So patiently

You've shown

So patiently

And you, you waited

For me (Just for me)

You, you waited

For me (Just for me)
