

I Can't Say No

Natalie Cole

Here I am, there you are
If you ask me to walk a thousand miles
Just to be where you are
I can't say no if you ask me If I had a dime, it's yours as well as mine
I'd keep the penny, you know I would
And gladly give you the nine
I can't say no if you ask me If you told me tonight to get up
Pack my bags, let's go away
I wouldn't even care what my mommy
What my daddy might have to say
'Cause I can't say no if you ask me No, you're too beautiful to be, to be
No, you mean everything to me
No, and that's why I, that's why I, that's why I
I can't say no if you ask me Sometimes I get so angry with him
I walk around and I pout all day
And then he kisses me and asks me, do I love him
In a sweet, soft, sexy kind of way
I can't say no if he asks me Ooh, no, I can't say no if he asks me
I can't say no if you ask me
I can't say no if you ask me
I can't say no if you ask me
