Call Me Lightning

Joan Jett

Dum dum dum durangSee this little girl that's
Smilin' so brightly
I reckon you're cool
And I reckon rightly
You're so good lookin'
An' I ain't frightenin'
I'm gonna show you why
They call me lightnin'Hey little girl that dances
So lightly
My XKE is shinin' so brightly
The noose around us
Is slowly tightenin'
I'm gonna show you why they call me lightnin'You betHey little girl that dances
So lightly
My XKE is shinin' so brightly
The noose around us
Is slowly tightenin'
I'm gonna show you why they call me lightnin'Call me lightnin'
