Spanish Stroll

Willy DeVille

Hey Mr. Jim I can see the shape youre in
Finger on your eyebrow
And left hand on your hip
Thinking that youre such a lady killer
Think youre so slick!
AlrightBrother Johnny, he caught a plane and he got on it
Now hes a razor in the wind
And he got a pistol in his pocket
They say the man is crazy on the West Coast
Lord there aint no doubt about it!
Well allrightSister Sue tell me baby what are we gonna do
She said take two candles,
And then you burn them out
Make a paper boat,light it and.... send it out
send it out now..Spanish Stroll
Spanish Stroll
Spanish StrollHey Rosita! Donde vas con mi carro Rosita?
tu sabes que te quiero
pero ti me quitas todo
ya te robasta mi television y mi radio
y ahora quiere llevarse mi carro
no me haga asi, rosita
ven aqui
ehi, estese aqui al lado rosita
Spanish StrollMira aqui!Hey Johny! Yeah, tenth street Johny
Weve been looking for you man
Everybody told me you had moved uptown
Hey! you wanna go for a ride
Im going uptown myself
For what?Yeah, aint it right?
Yeah, one time for Tito Puente, one time
Are you ready?
Yeah, of course we cannot leave out, Mr Ray Baretto
Are you ready?Are you ready?Are you ready?
