

# Take Me Dancing (Joel Wolf Alice Remix)

## Will Joseph Cook

Here's to Julian, a man among a million others  
Turned his back upon it all  
Raise another glass then smash it up into its fragments  
Walking barefoot on the ground And as I fall into the bottle bank (broken glass)  
You can make me into anything  
As long as I'm reflecting you Don't let this love  
Well I could be the answer to  
All of your prayers  
Take me dancing  
Lonely ain't enough  
Well I could be the answer to  
All of your prayers  
Take me dancing Sing to Emily, make her laugh and talk her accent  
See the colour in her eyes  
Then I'll take her palm and joke about a life together  
Lying, smoking on the ground And as I fall into the bottle bank (broken glass)  
You can make me into anything  
As long as I'm reflecting you Don't let this love  
I could be the answer to  
All of your prayers  
Take me dancing  
Lonely ain't enough  
Well I could be the answer to  
All of your prayers  
Take me dancing Every moment (every moment)  
Always like this (always like this)  
We got our come ups (we got our come ups)  
And you [?] Lonely is your love  
Well I could be the answer to  
All of your prayers  
Take me dancing  
Lonely ain't enough  
Well I could be the answer to  
All of your prayers  
Take me dancing We could walk to the city bars  
We could swing to Americana  
I don't need much don't make a difference  
Just take me dancing  
We could walk to the shitty bars

We could swing to Americana  
I don't need much don't make a difference  
Just take me dancing
