

# Ridiculous

## Dope D.O.D.

    Skillfully tested, rhythmically possessed with rhymes  
    And when it was time, Jah gave me the mic after he blessed it  
    He said share the loving, prepare them for the Second Coming  
    Beware of the false prophets, because they got my people bugg'n  
    Put on the full armor, cause you know these fools they're gonna wanna  
        Talk behind your back, but stay away from the drama  
    You know that I'm gonna keep you safe inside the palm of my hand  
        Cause you the man and that's word to your mama  
        So give it to 'em, it's themselves that they're fool'n  
    Gotta head of the game too quick, what they lack is ol' school'n  
    You know who's who, whether or not I'm talking to your crew  
        It's up to you to keep it true, nuff respect due  
        Dem test me crew, but dem can't get with this  
    Dem all the same, talking wickedness (nonsense ?C 2nd time)  
        Your styles been played, and I'm already sick of it  
        Them so ridiculous, them so ridiculous  
        Original Rude Boy, we bring the styles  
    Ain't heard this in a while, check the stats, review my profile  
        They dime a dozen, can't understand why all the fuss'n  
        Known for talking loud but they really saying nothing  
        With every word you poison my mental concept  
        Negative be the topic, somebody's got to stop it  
        And clear your mind and continue to come alive  
        And he love, we love, bring it back, come, rewind  
        Dem test me crew, but dem can't get with this  
    Dem all the same, talking wickedness (nonsense ?C 2nd time)  
        Your styles been played, and I'm already sick of it  
        Them so ridiculous, them so ridiculous  
        To all my peoples that be keeping it real  
        They know the time and they know the deal  
        To all my peoples that are down with this crew  
        We keep it live cause this one's for you  
        Dem test me crew, but dem can't get with this  
    Dem all the same, talking wickedness (nonsense ?C 2nd time)  
        Your styles been played, and I'm already sick of it  
        Them so ridiculous, them so ridiculous  
        "Christ"  
        You're not who they say you are  
        They made you the enemy

(CHRIST-Jah fleshCHRIST-Light withinCHRIST- Beginning and the end)

    Taken something so beautiful

    Painted a new picture that makes me sick

(CHRIST-WitnessCHRIST-Living oneCHRIST-First and the last)

    Feed our minds confusion

    Sweeten the taste of pollution

(CHRIST-Word lifeCHRIST-ResurrectCHRIST-Everlasting Jah)

    Dem test me crew, but dem can't get with this

    Dem all the same, talking wickedness (nonsense ?C 2nd time)

    Your styles been played, and I'm already sick of it

    Them so ridiculous, them so ridiculous

    I refuse to be like you

    Without life, caving in

(CHRIST-Jah fleshCHRIST-Light withinCHRIST- Beginning and the end)

    I surrender, giving up all that is me

    Yielding to you

(CHRIST-WitnessCHRIST-Living oneCHRIST-First and the last)

    Shape me in my brokeness

    Empower me forever

(CHRIST-Word lifeCHRIST-ResurrectCHRIST-Everlasting Jah)

    Dem test me crew, but dem can't get with this

    Dem all the same, talking wickedness (nonsense ?C 2nd time)

    Your styles been played, and I'm already sick of it

    Them so ridiculous, them so ridiculous

    I know you will complete this work started in me

    I need you more than ever now that I know who you are

    I know you will complete this work started in me

    I need you more than ever now that I've come so far
