

Bakers Man

Migos

I'm the baker's man, I'm the baker's man, I'm the baker's man
Egg beater and sack, (Whip) put it in my hand (skuuuurt)
I'm the baker's man, (skuuuurt) I'm the baker's man, (skuuuurt) I'm the baker's man
Egg beater and sack, (Whip) put it in my hand (skuuuurt)
I'm the baker's man, (skuuuurt) I'm the baker's man, (skuuuurt) I'm the baker's man

[Verse 1: Quavo]

Quavo, Quavo

Playing with pies wit no eyes Steve Wonder (Stevie!)
In the huddle calling plays just like Christian Ponder (touchdown!)
Hit 'em with that sack, uh-oh, fumble! (fumble!)
Little nigga smokin' mid, give that pack back to your uncle (mids!)
Got a bad bitch, yeah, she asian like Kitana (she bad!)
Got a scope on the sniper rifle, I see the anaconda (I see 'em!)
Talk to Scooter in de casa Quavo, he said "you a road runner"
Free my nigga Offset, ASAP, so a young nigga can get back to the money.

[Hook: Quavo]

Egg beater and sack (Whip) put it in my hand (skuuuurt) I'm
The bakers man (skuuuurt) I'm the bakers man (skuuuurt) I'm
The bakers man
Egg beater and sack (Whip) put it in my hand (skuuuurt) I'm
The bakers man (skuuuurt) I'm the bakers man (skuuuurt) I'm
The bakers man

[Verse 2: Takeoff]

Egg beater my left, Pyrex pot my right
Baking soda on the shelf, Beat that pot like wiki rice
Ever since my daddy left, Mama taught me "son do right"
50 niggas to my left, 50 niggas to my right
50 chickens come a day, 50 chickens come a night
When I whip my work today, They gone find yo ass tonight
All my niggas on go, you know they gone smash on sight
That shit you rap and talk 'bout, nigga, you know thats my life

[Hook: Quavo]

I'm the baker's man, I'm the baker's man, I'm the baker's man
Egg beater and sack, (Whip) put it in my hand (skuuuurt)
I'm the baker's man, (skuuuurt) I'm the baker's man, (skuuuurt) I'm the baker's man
Egg beater and sack, (Whip) put it in my hand (skuuuurt)

I'm the baker's man, (skuuuurt) I'm the baker's man, (skuuuurt) I'm the baker's man
