

Ginesa Suite

Little Green Cars

leave without a trace
leave without a trace of blood
she permiates
on to snappers flooder and embelish all the seas
this love was just a face
just somebody you thought you could
prove yourself to
but now
you're emptier still flanking(?) like a giant turning back to smile at me
Mmmmmmm
mmmmmmmm
mmmmmmmmmm
mmmmmmmm
I know whats best for me
I know whats best for me
your little buddy's dead
and all her tunes have bled away
silence is all that you cant hear
just arguments inquiries decisions and then tears
so then you lost your head but they don't have a bed for you
so now you're stuck
in the dirt and the groud
married to the infinite eternity of time
mmmmmm
mmmmmm
mmmmmmmm
mmmmmm
I know what's best for me
I know what's best for me
