I Touch Roses (Album Version)

Book Of Love

If you think I'm magical
Cause roses bloom with my touch
That's mathematical
I think you think too muchI touch rosesIf you try to talk with me
If you try to copy my
Pocket full of poses
You still can't touch my rosesI touch roses
I touch roses
I touch roses
I touch rosesIf you think I'm magical
Cause roses bloom with my touch
But magics just not practical
I think you think too muchI touch roses
