Sheer Profoundity

Motorpsycho

Anything I can do for you, sir?Anything I can do for you, sir
Bet you've heard that all your life
Of course it's not your fault
Anything at all, sir?
I've waited all my life, sir
To waste my life for you, sir!
I can't take it no moreAnything I can do for you, sir?
I wouldn't have it any other way
I enjoy the pity inyour smile so, well
Anything at all, sir?
Go ahead and patronise me, shove me
Around and critisise me!
I can't take it no more
No more -no more
Anything I can do for you, sir?
