

Tell Me That You Love Me

Paul Anka

(Ooh-wop-wa, ooh-wop-wa, ooh-wop-wa-wa.)
(Ooh-wop-wa, ooh-wop-wa, ooh-wop-wa-wa.)A-tell me that'cha love me.
A-tell me that'cha care.
A-tell me when I want'cha,
You'll be waitin' there.
Because I need ya like I want'cha,
I want'cha like I need your love.
(Ooh-wop-wa, ooh-wop-wa, ooh-wop-wa-wa.)Well, a-tell me you're ma baby.
A-tell me you're my lover.
A-tell me you will shine there,
Like the stars above.
Because I need ya like I want'cha,
I want'cha like I need your lo-ove, oh, oh-oh.
(Ooh-wop-wa, ooh-wop-wa, ooh-wop-wa-wa.)A-tell me that'cha love me,
And I will be so tru-ue. (Tru-ue.)
(La la la la la la la la la la.)
A-tell me that'cha care,
And I'll be true to you.
(Oh, wop-ah-wa.)A-tell me you're ma baby.
A-tell me you're my lover.
A-tell me you will shine there,
Like the stars above.
Because I need ya like I want'cha,
I want'cha like I need your love
(Ooh-wop-wa, ooh-wop-wa, ooh-wop-wa-wa.)A-tell me that'cha love me,
And I will be so tru-ue. (True.)
((La la la la la la la la la la la.)
A-tell me that'cha care,
And I'll be true to you.
(Oh, wop-ah-wa.)Oh, tell me you're ma baby.
A-tell me you're my lover.
A-tell me you will shine there,
Like the stars above.
Because I need ya like I want'cha,
I want'cha like I need your love.
(Ooh-wop-wa, ooh-wop-wa, ooh-wop-wa-wa.)
Your love.
(Ooh-wop-wa, ooh-wop-wa, ooh-wop-wa-wa.)

Your love.
