Ultrasonic Sound(Matrix)

Hive

If you begin to feel overload,
you'll begin to feel what we are saying.
If you begin to feel overload,
consider your Earth lookinf for you.Ultrasonic sound [reapeat lots]
Ultrasonic sound comin' out your speakerThere are doors I haven't opened...
And windows I have yet to look through...
Goind forward may not be the answer...
Maybe I should go back
Rhythm is the key as we open up the door... [repeats alot]
Some musical rhythms can mess with your head
