# Erotic City

## Dump

I, I, I, I
Erotic City, Erotic CityAll of my purple life
I've been lookin' for a dame
That would wanna be my wife
That was my intention mainIf we cannot make babies
Maybe we can make some time
Fuck so pretty, you and me
Erotic City come aliveWe can fuck until the dawn
Makin' love 'til cherry's gone
Erotic City, can't you see?
Fuck so pretty, you and meEvery time I comb my hair
Thoughts of you get in my eyes
You're a sinner, I don't care
I just want your creamy thighsIf we cannot make babies
Maybe we can make some time
Fuck so pretty, you and me
Erotic City come aliveWe can fuck until the dawn
Makin' love 'til cherry's gone
Erotic City, can't you see?
Fuck so pretty, you and meAll of my hang-ups are gone
How I wish you felt the same
We could fuck until the dawn
(Until the dawn)
How I wish you were my dame
(Baby, won't you be my dame?)If we cannot make babies
Maybe we can make some time
Fuck so pretty, you and me
Erotic City come aliveWe can fuck until the dawn
Makin' love 'til cherry's gone
Erotic City, can't you see?
Fuck so pretty, you and meWoah woah, woah woah, woah woah woah
Woah woah, woah woah, woah woah woah
Woah woah, woah woah, woah woah woahIf we cannot make babies
Maybe we can make some time
Fuck so pretty, you and me
Erotic City come aliveWe can fuck until the dawn
Makin' love 'til cherry's gone
Erotic City, can't you see?
Fuck so pretty, you and meIf we cannot make babies

Maybe we can make some time
Some time, some time, some time
Erotic CityIf we cannot make babies
Maybe we can make some time
Fuck so pretty, you and me
Erotic City come aliveWe can fuck until the dawn
Makin' love 'til cherry's gone
Erotic City, can't you see?
Fuck so pretty, you and meWe can fuck until the dawn
Makin' love 'til cherry's gone
Erotic City, yeahI, I, I, I
Erotic City, yeah
