Fill In The Blank

Greg Bates

We've been plannin' this weekend for a week and a half
Hope you ain't thinkin' that we're movin' too fast
This trip can be whatever you want it to
I'll pick where we go and you can pick what we do

We could
In the water, in the truck
On a blanket 'til the sun comes up
With each other on the river bank
Yeah I'll leave it up to you, baby fill in the blank

I know a little spot thirty miles outta town
We can do what we want, won't be nobody around
I love hanging with your friends and your family too
But there's some things that only two people should do

We could
In the water, in the truck
On a blanket 'til the sun comes up
With each other on the river bank
Yeah I'll leave it up to you, baby fill in the blank

We could
In the water, in the truck
On a blanket 'til the sun comes up
With each other on the river bank
Yeah I'll leave it up to you, baby

We could
To some music real slow
'Til we can't no more
If the clouds roll in we could, in the rain
Yeah I'll leave it up to you, baby fill in the blank
Yeah the options are endless, baby fill in the blank
