

# I Just Want You To Know

**Relient K**

Alright, I'm a human being  
A being  
Happy and sane  
Oh but human beings  
We all need to quit  
Being inhumane [Chorus]  
Yea I don't want to say I'm right  
I just want you to know  
I don't want to say I'm right  
I just want you to know I, a reputation  
For replacing  
My confidence with fear  
But all the untimely embracing  
Love that I have found to be sincere [Chorus] To know that there was a man  
Who lived one day  
With holes in his hands  
As some do say  
And I believe Him, friend  
If he talked and prayed  
So we do  
That's right we do [Chorus: x2] I just want you to know  
I just want you to know
