

# When She Turns 18

## Christian TV

I know you think that i'm worthless  
I know you think that you're sure  
it's not right for  
Me and you're daughter to be  
What we want to beShe just wants attention and  
you give it to her  
Living in detention she's got to get away  
Got her life in a bag and she's on the run  
Girls really do just wanna have funWhen she turns 18 she'll finally be free to do  
What she wants to do  
When she turns 18, she'll choose between me and you  
Guess who she's gonna pick? (Oh Oh Oh)  
Guess who she's gonna pick? (Oh Oh Oh)  
Guess who she's gonna pick? (Oh Oh Oh)  
When she turns 18 (Oh oh oh)  
When she turns 18 (Oh oh oh)I know hot to treat her right and I know  
She wants to stay the night and  
We'll watch a movie, maybe make plans  
I hope you understandShe just wants attention and  
you cant give it to her  
She's tryin to get to LA  
She's gotta get away  
Cause she's on the run  
Girls really do just wanna have funWhen she turns 18 she'll finally be free to do  
What she wants to do  
When she turns 18, she'll choose between me and you  
Guess who she's gonna pick?Now that the stars align  
it's just you and me  
You'll be my girl, we'll show the world  
We can take our time cause you're finally free  
You'll be my girlWhen she turns 18 (When she turns 18)  
(When she turns 18)When she turns 18  
We're gonna have alot to do  
Oh just me and you oohTurns 18 she'll finally be free to do  
What she wants to do  
When she turns 18, she'll choose between me and you  
Guess who she's gonna pick?
