The Enemy

Shelly was a good girl
She never left her daddy's side
She was a technodanceaphobic
And every night inside, she'd cryMegan was a bad girl
She never knew no right from wrong
Well they found her alone
Her daddy left her at home
And hoped that she was goneYeah, yeah'Cause they were bangin' on the back seat all night long
Yeah they were bangin' on the back seat all night long
Yeah they were bangin' on the back seat
On the back seat
Bangin' on the back seat all night longSammy was a good boy
He never left his mummy's side
He was an alcoholaphobic
And every night inside, he'd cryDanny was a bad boy
He liked to kick and scream and shout
Well on a saturday night
He got the feeling alright
To throw his weight aboutYeah, yeah'Cause they were bangin' on the back seat all night long
Yeah they were bangin' on the back seat all night long
Yeah they were bangin' on the back seat
On the back seat
Bangin' on the back seat all night longYeah, yeahSo they were bangin' on the back seat all night long
Yeah they were bangin' on the back seat all night long
Yeah they were bangin' on the back seat
On the backseat
