

Heart of Glass

Nouvelle Vague

Once I had a love and it was a gas
Soon turned out had a heart of glass
Seemed like the real thing, only to find
Much of mistrust, love's gone behind
Once I had a love and it was divine
Soon found out I was losin' my mind
It seemed like the real thing but I was so blind
Much of mistrust, love's gone behind

In between

What I find is pleasing and I'm feelin' fine
Love is so confusing there's no peace of mind

If I fear I'm losin' you it's just no good

You teasing like you do

Once I had a love and it was a gas
Soon turned out had a heart of glass
Seemed like the real thing, only to find
Much of mistrust, love's gone behind

Lost inside

Adorable illusion and I cannot hide

I'm the one you're using, please don't push me aside

We could-a made it cruising, yeah

Yeah, ridin' high on love's true bluish light

Once I had a love and it was a gas
Soon turned out had a heart of glass
Seemed like the real thing, only to find
Much of mistrust, love's gone behind

In between

What I find is pleasing and I'm feelin' fine
Love is so confusing there's no peace of mind

If I fear I'm losin' you it's just no good

You teasing like you do

It's just no good

You teasing like you do

It's just no good

You teasing like you do
