

Have You Ever Loved a Woman

[Eric Clapton](#)

Have you ever loved a woman
So much you tremble in pain?
Have you ever loved a woman
So much you tremble in pain?
And all the time you know
She bears another man's name. But you just love that woman
So much it's a shame and a sin.
You just love that woman
So much it's a shame and a sin.
But all the time you know
She belongs to your very best friend. Have you ever loved a woman
And you know you can't leave her alone?
Have you ever loved a woman
And you know you can't leave her alone?
Something deep inside of you
Won't let you wreck your best friend's home.
