

# You Speak

[Audrey Assad](#)

You liberate me from my own noise and my own chaos  
From the chains of a lesser law You set me free  
You liberate me from my own noise and my own chaos  
From the chains of a lesser law You set me freeIn the silence of the heart You speak  
In the silence of the heart You speak  
and it is there that I will know You  
and You will know me  
in the silence of the heart  
You speak, You speak.You satisfy me till i am quiet and confident  
in the work of the Spirit I cannot see.  
You satisfy me till I am quiet and confident  
in the work of the Spirit I cannot see.  
In the silence of the heart You speak.
