

Hey

Butthole Surfers

Oh, I don't know,
and you can't say.
And even if you could,
it ????? be anyway
Let's go to hell
Hey...Hey.....
Now I'm in love,
not with he or she
it's a burning hate
don't they see?
Get your hands off..

Hey...Hey.....
I'm burning now,
like a falling dove (love?)
I'm not fit to fall in love.
LOVE?
Hey...Hey.....
A broken ??????????????????
A lover's kiss and I am gone.
