

# Rise and Fall of a Rap Cat

## Andre Nickatina

(Andre Nickatina)

Believe me ma it rains

No change

How can I have so much lust for the game

I'm so ashamed

No escape

It's too late

I've been replaced

How can I have so much lust for the game

I'm so ashamed

No squad

My god

The god of Kahn

How can I have so much lust for the game

I'm so ashamed

All rain

Stuck in the game

With all pain

How can I have so much lust for the game

I'm so ashamed

Believe me my in ma it rains
