

# Every Storm (Runs Out Of Rain)

## Gary Allan

I saw you standing in the middle of the thunder and lightning  
I know you're feeling like you just can't win, but you're trying  
It's hard to keep on keepin' on, when you're being pushed around  
Don't even know which way is up, you just keep spinning down, 'round, downEvery storm runs, runs out of rain  
Just like every dark night turns into day  
Every heartache will fade away  
Just like every storm runs, runs out of rainSo hold your head up and tell yourself that there's something more  
And walk out that door  
Go find a new rose, don't be afraid of the thorns  
'Cause we all have thorns  
Just put your feet up to the edge, put your face in the wind  
And when you fall back down, keep on rememberin'Every storm runs, runs out of rain  
Just like every dark night turns into day  
Every heartache will fade away  
Just like every storm runs, runs out of rainIt's gonna run out of pain  
It's gonna run out of sting  
It's gonna leave you alone  
It's gonna set you free  
Set you freeEvery storm runs, runs out of rain  
Just like every dark night turns into day  
Every heartache will fade away  
Just like every storm runs, runs out of rainIt's gonna set you free,  
It's gonna run out of pain,  
It's gonna set you free
