## **Pride Of Man**

## **Quicksilver Messenger Service**

Turn around go back down
Back the way you came
Can't you see that flash of fire
10 times brighter than the day
And behold a mighty city

Broken in the dust againOh God, pride of man Broken in the dust againTurn around go back down

> Back the way you came Babylon is laid to waste Egypt's buried in her shame

Their mighty men are all beaten down
Their kings are all fallin' in the waysOh God, pride of man
Broken in the dust againTurn around go back down

Back the way you came

Terror is on ever sign
Though our leaders are dismayed

All those who place their faith in fire

In fire their fate shall be repayedOh God, pride of man Broken in the dust againTurn around go back down

Back the way you came

And shout a warning to the nation

That the sword of God is raised

Yes, Babylon backed by it's city

Rich in treasure wide in fameOh God, pride of man Broken in the dust againAnd it shall cause your tower to fall

Make of you a pyre of flame

Oh, you who dwell on many waters

Rich in treasure wide in fame

You bow unto your, your god of gold

Your pride of might shall be a shame

For only God can lead his people

Back unto the earth againOh God, pride of man Broken in the dust againOur holy mountain be restored And mercy on that people

That people
