Spike Island

The Icarus Line

Fell down this old road and I dont care
If you roll on your sides, I seen a ghost
In the future, sometimes it gets hard to hide
If you need somethin', dont let me know
Subtle substance control turns to overflow
I gotta get my connectI saw her in the bathroom drinkin' vodka
She must have been a sweet nothin'
Dope let's her slide, looks she cant hide
Heroin hands cant keep her clean
She needs another way outLets drink until we come
Later on were sailin' on
It gets to you when I say this stuff
But I know what Im doin'
Just ask me what Im doin'We are alone, we are alone, we are alone
We are together, fashionably numbDrive this town into the ground
Lose the places that we found together
Theres never nothing right
Theres never nothing right
Let's stay connectedWe are alone, we are alone, we are alone
We live together
Fashionably numb, perpetually spun
Seen you breathin' out your eyes, surpriseWe are alone, we are alone
We live forever, forever, forever
