I'm The One You Want

Keith Sweat

I'm gon' be the one you need
I'm gon' be the one you want
Give you all the love you need
Hurt you, girl, no, I won't
Have all your girlfriends
Jealous, girl, 'cause of me
Give you good love
That I guarantee
Only you can make me happy
Happy, so happy
Only you can make me happy
Happy, so happy
I know your man ain't been treatin' you right
All you ever seem to do is argue, fuss and fight
I'll be waitin' on the sideline, waitin' for my turn
You see, girl, all I wanna do is make you happy
Never see you sad, never make you mad
Oh baby, all I wanna do is
Treat you like no other, would you be my lover?
Oh, oh, oh, oh, girl
I wanna be the one that lights your sweet world
I'm gon' be the one you need
I'm gon' be the one you want
Give you all the love you need
Hurt you, girl, no, I won't
Have all your girlfriends
Jealous, girl, 'cause of me
Give you good love
That I guarantee
Say you really will be mine
Say you will, say you will
Do you like the way, girl, I make you feel?
Say you do, I'm telling you
I know you never had a love like this
You'll get what you missed, I'm longin' for your kiss
Oh, baby, no one can ever love you, girl, like I do
I know I'm driving your body crazy, oh girl, yeah, yeah
I'm gon' be the one you need
I'm gon' be the one you want

Give you all the love you need
Hurt you, girl, no, I won't

Have all your girlfriends
Jealous, girl, 'cause of me
Give you good love
That I guarantee
I'm gon' be the one you need
I'm gon' be the one you want
Give you all the love you need
Hurt you, girl, no, I won't
Have all your girlfriends
Jealous, girl, 'cause of me
Give you good love
That I guarantee
Girl, I know how I feel and it's not just a passin' phase
Ooh, baby
You believe in a lie and you feel like you're in a mess
See, I'm gon' be the one to be there
I'm gon' be the one you need
I'm gon' be the one you want
Give you all the love you need
Hurt you, girl, no, I won't
Have all your girlfriends
Jealous, girl, 'cause of me
Give you good love
That I guarantee
I'm gon' be the one you need
I'm gon' be the one you want
Give you all the love you need
Hurt you, girl, no, I won't
Have all your girlfriends
Jealous, girl, 'cause of me
Give you good love
That I guarantee, baby
(Only you can make me happy)
That I guarantee
(Happy, so happy)
That I guarantee, baby
(Only you can make me happy)
That I guarantee
(Happy, so happy)
