

Blue It Is

Billy Mackenzie

If loves complete
Then why pretend
If I can't see you I'll just pretend
Yes, I can walk, embrace the cold air
And hear you talk
You know I still care You know I'll never follow you
You are my world and so it's true
You know I'll never follow you
But I'll be there, yes I'll be there
You know I'll never follow you
You are my world and so it's true
You know I'll never follow you
But I'll be there, yes I'll be there.
And blue it is but I'll be there.
When Johnny's three
Give him my watch.
So it's Italian, it's still a watch
I'll buy him paints of boisterous yellow
A little saint this little fellow
You know I'll never follow you
You are my world and so it's true
You know I'll never follow you
But I'll be there, yes I'll be there
You know I'll never follow you
You are my world and so it's true
You know I'll never follow you
But I'll be there, yes I'll be there
Blue it is but I'll be there Repeat choirs Blue it is
And blue it is but I'll be there.
