

Crime of the Century

Supertramp

Now they're planning the crime of the century
Well what will it be? Read all about their schemes and adventuring
Yes, it's well worth a fee So roll up and see
How they rape the universe
How they gone from bad to worse Who are these men of lust, greed and glory?
Rip off the masks and let's see But that's not right, oh no, what's the story?
But there's you and there's me
