My Love Is All I Have

Charlie Wilson

Hello, do you have a minute?
I noticed you from across the room.
Excuse me miss, don't take this wrong,
I couldn't resist that smile and those beautiful eyes.
I can see that you're wearing fancy clothes and drive a fancy car.
Your hair did and your nails done, looking like a superstar.
Can I take out to dinner, baby?
Cause there's something that I wanna say to you.My love is all I have (all I have)
I have to give (I have to give), I have to give.
My love is all I have (all I have baby)
I have to give (oh), I have to give to you (oh oh oh yeah)I may not have a bank account with seven figures,
And I may not have a sailboat and a big old mansion, oh no.
But I do know how to love you, baby
And in my own way, in my own way, I'm rich as hell.
I really hope that none of this don't matter
And I hope that you don't judge a man by his status.
And I was wondering if you and I can get together, know each other better.
And I promise you I'll give my all and make my heart your mansion.I'll give you all I have,
Love is all I have.
Girl, you'll see what it is, I'm just keeping it real,
It's real, it's real.My love is all I have (all I have)
I have to give (I have to give), I have to give.
My love is all I have (oh yeah)
I have to give, I have to giveMy love is all I have,
I have to give, I have to give.
My love is all I have,
I have to give, I have to give to you.
