

Red Lips (Ship Wreck & Take/Five Remix)

GTA

Oh no, no, no, I
Oh no, no, no, I
Oh no, no, no, I No, no, don't let her smile fool
Don't let her eyes confuse
Red lips always lie
'Cause her red lips have a filthy prize
That's murder in her paradise No, no, red lips have a filthy prize
That's murder in her paradise Oh no, no, no, I
Oh no, no, no, I
Oh no, no, no, I Oh no, no, no, I
Oh no, no, no, I
Oh no, no, no, I
Oh no, no, no, I No, no, don't let her smile fool
Don't let her eyes confuse
Red lips always lie
'Cause her red lips have a filthy prize
That's murder in her paradise No, no, don't let her smile fool
Don't let her eyes confuse
Red lips always lie
'Cause her red lips have a filthy prize
That's murder in her paradise
