

Hey, Jessie

Debby Ryan

oh oh oh oh ohohohohoh, Hey JESSIE, Hey JESSIE. It feels like a party a party every day, Hey JESSIE, Hey JESSIE my whole world is changing turning around, they got me going crazy and they're shaking the ground, but they took a chance on the new girl in town and I don't want to let them down, down, down.
Hey JESSIE, oh oh oh oh oh. Hey JESSIE, oh oh oh oh oh. It feels like a party every day. HEY HEY HEY JESSIE!
