

# Lets Stick Together

[Bryan Ferry](#)

And now the marriage vow is very sacred  
The man has put us together  
Now you ought to make it stick together  
Come on, come on and stick together You know we made a vow  
To leave one another never But now you never miss your water till your well runs dry  
Come on now baby give our love a try  
Let's stick together  
Come on, come on let's stick together  
You know we made a vow  
To leave one another never Well, if you're stuck for a while consider our child  
How can it be happy without its ma and pa  
Please stick together  
Come on, come on let's stick together You know we made a vow  
To leave one another never  
Now if you're stuck for a while consider our child  
How can it be happy without its ma and pa  
Please stick together  
Come on, come on let's stick together You know we made a vow  
To leave one another never
