Alright Alright (Here's My Fist Where's The Fight?

Sahara Hotnights

Now I feel like breaking laws Go on start a civil war Here's my fist, where's the fight? Your world is collapsing tonight I wanna make some noise, alright, alright I wanna drop some bombs, alright, alright I wanna make some noise, alright, alright You tell me what can go wrong, alright, alright Alright, alright nowNow I feel like dropping bombs Black out your house if you're at home Hurt but healed, still coming on In the mess where I'm from I wanna make some noise, alright, alright I wanna drop some bombs, alright, alright I wanna make some noise, alright, alright You tell me what can go wrong, alright, alright Alright, alright nowYou know I'm on the other side So tell me now am I right on time I can't get enough, I can't get enough I can't get enough of itI wanna make some noise, alright, alright I wanna drop some bombs, alright, alright I wanna make some noise, alright, alright You tell me what can go wrong, alright, alright Alright, alright, alright nowI wanna make some noise, alright, alright I wanna drop some bombs, alright, alright I wanna make some noise, alright, alright You tell me what can go wrong, alright, alright Alright, alright, alright now
