

Back In Your Arms

BMX Bandits

Can it be I stayed away too long?
Did I leave your mind when I was gone?
Can it be I stayed away too long?
Did I leave your mind when I was gone?
Girl, never meant to say goodbye
Never meant to make you cry
But it wasn't my fault
I'll do everything I can
To be a better man
So look into my heart and know
I won't be cool
'Til I'm back in your arms
Girl, I need you
Wanna be back in your arms
I hope to get another chance
A chance to be a man
'Cause I missed you so much
Don't let another take my place
My love can't be erased
So look into your heart and know
I won't be cool
'Til I'm back in your arms
Girl, I need you
Wanna be back in your arms
I won't be cool
'Til I'm back in your arms
Girl, I need you
Wanna be back in your arms
You are my number one
The only one I love
The only one that makes my dreams come true
Come back to me
Forget about the past
I wanna make it last forever
I won't be cool
'Til I'm back in your arms
Girl, I need you
Wanna be back in your arms
I won't be cool

'Til I'm back in your arms
 Girl, I need you
Wanna be back in your arms
 Can it be I stayed away?
 Can it be I stayed away?
