

# Hold It In (Andrew Maury Remix)

## Jukebox the Ghost

Jump into that water and see for yourself  
Take a deep breath and hold it in  
Hold it in She's got a secret  
And she wants to tell  
But I made a promise to hold it in  
Hold it in Baby, I'm in love  
And it's not in to tell  
Only thing that I can do is hold it in  
Hold it in Was told that I'm a man now  
And that I'm not allowed to cry  
Only thing that I can do is hold it in  
Hold it in, ha! Life is Oh my god, if I tell him he'll tell her  
And then she will know I like her  
Good grief, I don't think that I can take this heartbreak  
Any Longer  
I will not hold it in Ooh Couple with a baby and it's no secret why  
Neither one was able to hold it in  
Hold it in Kids in the streets, yeah they're all gettin' high  
Everybody's screaming hold it in,  
Hold it in! Life is Oh my god, if I tell him he'll tell her  
And then she will know I like her  
Good grief, I don't think that I can take this heartbreak  
Any longer  
I will not hold it in Ooh If there's a God, he's embarrassed  
And it's no secret why:  
Only thing that he can do is hold it in  
Hold it in So I printed him a letter to be sent out to sea  
I'm looking for a bottle to hold it in,  
Hold it in, ha! Life is Oh my god, if I tell him he'll tell her  
And then she will know I like her  
Good grief, I don't think that I can take this heartbreak  
Any Longer  
I will not hold it in Ooh
