

Never Say I Told You So

The Almost

Hey yeah hey hey
Just tell me what's the difference that's between being myself
And being oh so together with my thoughts
I, I cut and stab and make my
I cut and stab and make my example For those about to tell me to
I'll never listen to you I'll never go
I don't wanna know
I don't need to know
Why won't you stay
You're so far away
I don't need to This is the part where you take
You take your place and I just, just take mine
I've never been so sick of
So sick of seeing you so, you so blind Of all the things you offer
To the ones who forget you I'll never go
I don't wanna know
I don't need to know
Why won't you stay
You're so far away
I don't need to I'll get you back
'Cause I've been known for sneakin'
My gettin' my stealin' my revenge I'll never go
I don't wanna know
I don't need to know
Why won't you stay
You're so far away
I don't need to.
