

Medicine Man (Cooly G Remix)

Zero 7

Keep on, keeping
Keep on, keeping
Keep on, keeping
Keep on, keeping
Keep on, keeping
Keep on, keeping
Keep on, keeping

Keep on, keeping Underrated, overrated up and down in here

I always thought I was the one who got to run the bill

Now I can't seem to get it off of my mind

Losing my grip because I think about it all the time Making up the stories is the type of thing that you do

Outrageous, simply outrageous

Forget about your merits or the methods that you're used to

Outrageous, simply outrageous Mixing up the potions like a medicine man

Stirring my emotions cause I know when you know you can

Leave me open, halfway maybe I can heal myself

You just seem to keeping on, keep it up Keep on keeping on

You just keep on, you just keep on

Keep on keeping on

You just keep on, you just keep on

Keep on keeping on

You just keep on, you just keep on I must admit that I've been up and down just like a yo-yo

Roller coaster of love, didn't know where the heck did I go

Feels like you're under my skin

Man said love, couldn't remember how it all began Making up the stories is the type of thing that you do

Outrageous, simply outrageous

Forget about your merits or the methods that you're used to

Contagious, simply outrageous Mixing up the potions like a medicine man

Stirring my emotions cause I know with your love you can

Baby, open halfway maybe I can heal myself

Keep on, keep it up Forget about it, forget about it, the medicine you're used to

Mixing up the potions, that's your miracle baby

Stirring my emotions cause I know that you know you can

Leave me hoping, halfway baby I can heal myself You just keep on, doing what you do

Keep on, keeping on

You just keep on, doing what you do

Keep on, keeping on I'm onto your plan Mr. Medicine Man

I'm onto your plan Mr. Medicine Man

I'm onto your plan Mr. Medicine Man

I'm onto your plan Mr. Medicine Man
I'm onto your plan Mr. Medicine Man
I'm onto your plan Mr. Medicine Man
