## The Golden Palominos

Listen, my friends  
Listen, my friends  
Listen, my friends You thought never  
But I'm yours forever  
Won't leave you ever Now my friends  
What's gone down behind?  
No more rain  
From where we came  
Get under the covers, yeah  
All of your lovin'  
Beneath and above ya  
Bein' in love
