

Ballerina

Laura Kaufman

is it wrong to drift in my sorrows floating like a leaf
its time to let go of the reins and finally have some peace

cuz im a ballerina, dancing free
cuz im a ballerina, that you don't see

thought you'd be there, to catch my fall
to lift me up when the world was crashing in around me
i knew i, shouldn't be suprised
when you lived through a hell no one could describe
and in your heart, broken pieces shattered on the ground
your blue eyes piercing mine with nothing left to say

cuz im a ballerina, dancing free
cuz im a ballerina, that you don't see

i guess im ready, to let alone these dreams,
float down a streams and distant memories can drown, with all my tears
just quietless crying inside, inside
cuz im ready to dance
eyes turned towards the sun
and beautifully surrender my hopes to the only one

cuz im a ballerina, dancing free
cuz im a ballerina, that you can't see
