Glowing

The Rationals

You knocked me sideways
When you said that you were leaving.
You knocked me over
When you cried and told the truth.
And you left me speechless
The secrets you've been keeping
You're running now, but someone's chasing you
And you bought a ticket
But you don't know where you're going
And you won't tell me
For fear I'll follow soon
And you're tryin' to save me
From your past of bad decisions
But my decision's always gonna be
To follow you (To follow you)

Never gonna stop 'til the clock stops tickin'
Never gonna quit 'til my leg starts kickin'
I will follow you and we'll both go missin' (Yeah)
No I'm never givin' up 'til my heart stops beatin'
Never lettin' go 'til my arm stops breathing
I will follow you and we'll both go missin' (Yeah)
No I, And we don't even know where were going
But I'm fleeing with you and I'm glowing (Ooh)

I woke up this morning
To a kiss just like a whisper
And it takes to kiss
When I knew that you were gone
And you left the motel
When you're headin' off on nowhere
But the lady on the door said
You haven't left that long, long, no

No I, And we don't even know where were going
But I'm fleeing with you and I'm glowing (Ooh)

I still watch as she's runnin' away
So she was born to live this way
Bad man's gonna take her away,take her away, yeah

I still watch as she's runnin' away
So she was born to live this way
I'll never let a bad man take you away,take you away
So I'll

And we don't even know where were going
But I'm fleeing with you and I'm glowing (Ooh)
And we don't own now with all we got
We have everything we own in a cardboard box
And we don't own now with all we got
We got everything we own in a cardboard box
And we don't own now with all we got
We have everything we own in a cardboard box
