

R U Ready?

Ringo Starr

Radio static

Are you ready to cross over, are you ready to let go?

To face the final curtain

In the land of I Don't Know

Jesus was a wise man

and everyone's a Saint

Are you ready to cross over, are you ready? You can read the good and bad books

Read them fast or slow

But is it fact or fiction

There's just one way to know

Buddha was dancing, underneath the bodhi tree He was ready to cross over, he was ready

So why hold on, hold on

It's good that you believe, but it's better if you don't

So hold on, hold on

Someone's there to catch you, when you're ready to let go

I was sitting by the Ganges

Looking for another way

But all roads lead to Heaven

No matter what, they say

Krishna was a good man

Why was he so blue?

He was ready to cross over, he was ready

So why hold on, hold on

It's good that you believe, but it's better if you know

So hold on, hold on Someone's there to catch you, when you're ready to let go

Play me to Heaven..

Are you ready to cross over, are you ready to let go?

To face the final curtain

In the land of I Don't Know

Every one can get there

Cuz we all have a soul

Are you ready to cross over, are you ready??

So why hold on, hold on

It's good that you believe, but it's better if you know

So hold on, hold on

Someone's there to catch you when you're ready to let go.

Someone's there to catch you when you're ready to let go.

Someone's there to catch you when you're ready....

To let go.

That's the real thing there, isn't it?
