

JUST STAND UP!

Artists Stand Up to Cancer, Mariah, Beyoncé, Mary

The heart is stronger than you think
It's like it can go through anything
And even when you think it can't it finds a way to still push on, though Sometimes you want to run away
Ain't got the patience for the pain
And if you don't believe it look into
your heart the beat goes on I'm tellin' you that
Things get better
Through whatever
If you fall, dust it off, don't let up Don't you know you can go be your own miracle You need to know If the mind
keeps thinking you've had enough
But the heart keeps telling you don't give up
Who are we to be
questioning, wondering what is what
Don't give up
THROUGH IT ALL, JUST STAND UP! It's like we all have better days
Problems getting all up in your face Just because you go through it Don't mean it got to take control, no You ain't
gotta find no hiding place Because the heart can beat the hate Don't wanna let your mind keep playin' you And
sayin' you can't go on I'm tellin' you that Things get better
Through whatever If you fall Dust it off, don't let up
Don't you know you Can go Be your own Miracle You need to know If the mind keeps thinking you've had enough
But the heart keeps telling you don't give up Who are we to be
questioning, wondering what is what
Don't give up
THROUGH IT ALL, JUST STAND UP! You don't gotta be a prisoner in your mind If you fall, dust it off You
can live your life Yeah Let your heart be your guide Yeah yeah yeah And you will know that you're good if you
trust in the good Everything will be alright, yeah
Light up the dark, if you follow your heart
And it will get better Through whatever If the mind keeps thinking you've had enough
But the heart keeps telling you don't give up Who are we to be
questioning, wondering what is what
Don't give up
THROUGH IT ALL, JUST STAND UP! If the mind keeps thinking you've had enough
But the heart keeps telling you don't give up Who are we to be
questioning, wondering what is what
Don't give up Don't give up THROUGH IT ALL, JUST STAND UP! You got it in you, find it within
You got it in now, find it within now
You got it in you, find it within
You got it in now, find it within now
You got it in you, find it within

You got it in now, find it within now
Find it within you, find it within
Everyone: THROUGH IT ALL, JUST STAND UP!
