

You Can Love Yourself

Keb' Mo'

My baby she wrote me a letter
She didn't call me on the phone
Five little words was all she wrote
See ya later I'm goneShe had no explanation
About why she had to go
Well I can't take a joke
But I can take a hint
She don't love me no moreBut if nobody loves you
And you feel like dust
On an empty shelfe
Just remember
You can love yourselfMy mother says
She loves me
But you know
She could be jivin' too
And everybody's always criticizing
Everything that I doI work 9 to 5, do the best I can
Try to please the boss
I bought a big ol' house
And a brand new car
And then he laid me offBut if nobody loves you
And you feel like dust
On an empty shelfe
Just remember
You can love yourselfEvery time I meet a lady
I wanna try to get to know
Either I'm too small
Or she's too tall
She's rich and I'm po'
So I called my old friend
Hazel Mae
Asked her out for a little date
She said "I'm married now
And I got three little kids
Boy ya just a little too late"But if nobody loves you
And you feel like dust
On an empty shelfe
Just remember
You can love yourselfBut if nobody loves you

And you feel like dust
On an empty shelf
Just remember
You can love yourself
