Some People Call It Love

We stood in line 'til closing time  
Over drank to a Thomas line  
You bit your lip I held my tongue  
How can I be getting older when I feel so young  
Stand to the right I'm coming through  
I got no place to go but plenty to do  
I got a mouthful of words that I can hardly speak  
I'm at the bottom of a valley and I reached my peak  
(Chorus)  
Some people call it love  
But it's no excuse for the way that I've behaved  
Gratification immediately  
There's plenty to want if you know what I mean  
But if I only had my way  
I wouldn't have to wait around one more day  
They say that looking is half the fun  
But you know it's not when you found the one  
When you found the one that you love and adore  
How could you be happy with any more
