

# Together Again

Janet Jackson

There are times  
When I look above and beyond  
There are times  
When I feel your love around me baby  
I'll never forget ma' baby  
(I'll never forget you) There are times  
When I look above and beyond  
There are times  
When I feel your love around me baby  
I'll never forget ma baby When I feel that I don't belong  
Draw my strength  
From the words when you said  
Hey, it's about you baby  
Look deeper inside you baby Dream about us together again  
When I want us together again baby  
I know we'll be together again 'cause Everywhere I go  
Every smile I see  
I know you are there  
Smilin' back at me Dancin' in moonlight  
I know you are free  
'Cuz I can see your star  
Shinin' down on me (Together again, ooh)  
Good times we'll share again  
(Together again, ooh)  
That makes me wanna dance (Together again, ooh)  
Say it loud and proud  
(Together again, ohh)  
All my love's for you Always been a true angel to me  
Now above, I can't wait for you  
To wrap your wings around me baby  
Wrap them around me baby Sometimes hear you whisperin'  
No more pain  
No worries will you ever see now baby  
I'm so happy for ma baby I dream about us together again  
When I want us together again baby  
I know we'll be together again 'cause Everywhere I go  
Every smile I see  
I know you are there  
Smilin' back at me Dancin' in moonlight

I know you are free  
'Cuz I can see your star  
Shinin' down on me(Together again, ooh)  
Good times we'll share again  
(Together again, ooh)  
That makes me wanna dance(Together again, ooh)  
Say it loud and proud  
(Together again, ohh)  
All my loves for youThere are times  
When I look above and beyond  
There are times  
When I feel you smile upon me baby  
I'll never forget ma babyWhat'll I give just to hold you close  
As on earth  
In heaven we will be together baby  
Together again ma babyEverywhere I go  
Every smile I see  
I know you are there  
Smilin' back at meDancin' in moonlight  
I know you are free  
'Cuz I can see your star  
Shinin' down on meEverywhere I go  
Every smile I see  
I know you are there  
Smilin' back at meDancin' in moonlight  
I know you are free  
'Cuz I can see your star  
Shinin' down on me
