Back To the Garden

Crowder

I was born to be royal
I was made to be free
But I was torn from the garden
When the devil lied to me
I was formed from the soil
I got dirt inside of me but
I was born to be royal
I was made for gloryTake me back to the garden
Take me back and walk with me
For your presence I am longing
Take me back, take me back!Take me down to the river
Down to Eden's crystal streams
Where every sin can be forgiven
Holy ghost come set me freeTake me back to the garden
Take me back and walk with me
For your presence I am longing
Take me back, take me back!God take me back, back to your Kingdom come
God take me back, back to your Kingdom comeTake me back to the garden
Take me back and walk with me
For your presence I am longing
Take me back, take me back!I was born to be royal
I was made to be free
