

Angelique

Olavi Virta

Thou dawdl'd not bringing me fro Aether to Nether,
Still, duringly cling I on to this heather -
Dew-scented blossom: thou wast pristine,
The sweven of thee ne'er will I cede, my colleen.

Drat this creature of memories ill,
Foolhardy and fey I may be, yet him I shall quell.

'Vaunt! - Devil tyne -

Wadst thou wane fore'ermae;

Daunt - sinsyne thence,

Ta'en as a dint, Angelique?

Perforce and grinningly shall I maim in the vie -

Alas bastard! - hanging by the noose die.

'Vaunt! - Devil tyne -

Wadst thou wane fore'ermae;

Daunt - sinsyne thence,

Ta'en as a dint, Angelique?

'Come not wont to this uncouth Devil!,

Lest to a Devil thou wilt translate...my Angel.

'Vaunt! - Devil tyne -

Wadst thou wane fore'ermae;

Daunt - sinsyne thence,

Ta'en as a dint, Angelique?
