Explosions

Anchors For Arms

You tremble like you see a ghost
And I gave in
"I like the things you need the most,"
You said
Where have you been?
You wasted all that sweetness
To run and hide;
I wonder why
I remind you of the days
You poured your heart into,
But you never tried
I've fallen from grace,
Took a blow to my face;
I've loved, and I've lost,
I've loved, and I've lost,
Explosions
On the day you wake up,
Needing somebody
And you've learnt
It's okay to be afraid,
But it will never be the same
It will never be the same
You left my bleeding in the dark
So you could be king
The words you said are still untold to me
And I've
Lost my faith in everything

Those nights you could cope
Your intentions were gold
But the mountains will shake;
I need to know I can still make
Explosions
On the day you wake up needing somebody
And you've learnt
It's okay to be afraid,
But it will never be the same
And as the floods move in,
And your body starts to sink,

I was the last thing on your mind:
I know you better than you think
'Cause it's simple darling,
I gave you warning
Now everything you own
Is falling from the sky in pieces
so watch them fall with you
In slow motion
I pray that you'll find peace of mind;
And I'll find you another time
I'll love you another time
Explosions
On the day you wake up,
Needing somebody
And you've learn
It's okay to be afraid
But it will never be the same
