Skinny Dippin' Girl

Joe Purdy

I've been watchin' steady
And I've been watchin' you watchin' me
Think that sunrise gonna turn our blue eyes green
So you jump in the river,
You invite me to take a swim
I like to notice that nothin' wet and red,
Nothin' except your sun kissed skin
Believe I'll jump right in
Believe I'll jump right in
Your my skinny dippin'
Your my skinny dippin'
Your my skinny dippin' girl, dippin' girl

We been playin all these night
And you been dancin' just right
See you lookin' my way just from the stage, can't concentrate
And I cant wait for this show to end,
We can go down to the dock end
When that sun lights turnin' dim,
Me and you, we gonna jump right in
We gonna jump right in
Ooh, we gonna jump right in
We gonna jump right in
Your my skinny dippin'
Your my skinny dippin'
Your my skinny dippin' girl
Your my skinny dippin' girl
Your my skinny dippin' girl yeah mh hhm

We been drinkin' all nightness
Having ourselves sucha damn good time
Watchin' your hair so wet
Oh darlin', just trying to contain myself
Trying to contain myself
Can't contain myself
Yeah cause, your my skinny dippin'
Love my skinny dippin'
Your my skinny dippin'
Your my skinny dippin' girl

Skinny dippin' girl
Your my skinny dippin' girl no
Hm skinny dippin' girl, yeah yeah, hm
